

KPLA Legislative Day  
Kentucky State Capitol  
02/10/2010

Event description: Please make appointments with your legislator. We will be reminding legislators of the impact libraries make on Kentuckians each day. Participants should drop by Room 113 in the Legislative Annex prior to meeting with their legislators to pick up handouts and other information.

Event notes: If you wish to carpool or need transportation to the Capitol, please contact your local public library director. Arrangements for shared transportation are being made regionally. There will be a rally in the Capitol Rotunda at 11 am featuring speakers from the Library Legislative Caucus: Senator Brandon Smith, Senator Robin Webb, Representative Bob Damron, and Representative Bob DeWeese. We have also invited Governor and First Lady Beshear to speak. Please be careful not to schedule meetings with your legislators during this time.
